To whom it may concern:

Nodi Khan has been working for DFH temporarily since June 2019 as a content writer for our company. She has excelled in this role and has exceeded our expectations. Her content writing for our websites and social media platforms has been amazing. She is a true professional and frankly, at her age, she amazes many of our senior associates, who almost trail her in her dedication and work ethic.

She works well collaboratively with others and proactively adds her input to every project she is assigned to. She is highly self-motivated and well capable of achieving any goal she sets her mind to. She learned new processes and applied them in her daily work. DFH employees perceived Nodi as a valuable resource and looked to her for innovative and problem-solving solutions regarding content issues. She is sincere and respectful to everyone on our team and is a great role model to any professional.

She is extremely talented and we are so fortunate to have her part of our team. That is why it is a little bittersweet to write this recommendation, as I know deep in my heart, we will lose her soon for her to pursue her dreams and amazing future endeavors but wherever she goes I know for sure that she will make a huge impact on the organization and the people around her.

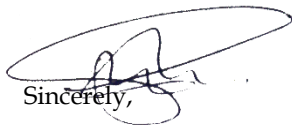

She would be an asset to any organization.
